

IMPORTANT OF HALAL LICENSE CERTIFICATION

Halal license certification which gives probability of products such as food items which are served everywhere around the world which obey Islamic law. consideration of certification is not by religious factor. [HACCP Certification cost in Dubai](#) The word halal is which comes from the arabic in english “permissible”

Rules for Halal

In islamic religion all animals were considered as halala .Execpt the product which is coming from the pork. Islamic people believe that Halal food are antibiotic and non poisonous to every human. The non-halal meats are considered to poisonous which are not to have .The name allah(god) gives for us which comes to us in the name of halal. Every procedure of halal operation is to carried out with some rules and regulation. Animals killed using non-halal methods might contain e-coli poisoning, bacteria and other harmful and filthy substances.

Guidelines which are followed in halal

Animals which are going to slaughter must be unconscious while going to kill. And it should be hung upside down during slaughter. [HALAL Registration in Qatar](#) The blood which is coming is too dry and people who precede this process must not to take that blood for any other use The halal instrument is carried and maintained well and sharp which is not used for any other purpose. These all the steps are to be carried out by every religion by using halal books for following these procedures. All these process is carried out in the name of allah by giving these to pour the meat to human in the name of halal

“Forbidden unto you (for food) are: carrion and blood and swine flesh, and that on which hath been invoked the name other than Allah, and the strangled, and the dead through beating, and the dead through falling from a height, and that which hath been gored to death, and the devoured of wild beasts, saving that which ye make lawful (by slaughter) and that which hath been immolated to idols and that ye swear by the divining arrows. This is an abomination....” (Chapter V, Verse 3)

Some unfaithful people may slaughter the animals with halal regulation but are not sell with halal name. [HALAL Certification services in Mumbai](#) This was considered against the isalmic rules in all muslim majorities country.

What is it and why is it so controversial?

In islamic method of killing the animals is called zabiha.muslim have found these process for killing those animals for meat . Every meat operations of killing the animals in halal process standardization was carried out with help of laws .Halal certification is necessary for organization to follow the steps which are comes under the Halal certification in all over the isalmic states

God's name must be invoked in a one-line blessing called the Tasmiyah, said before any slaughter. British Halal Food Authority slaughtermen use the most common version, "Bismillahi-Allahu Akbar" (In the name of Allah the greatest). [HALAL Services in Chennai](#) Reciting a short blessing beginning with "bismillah" (in the name of Allah) is a prerequisite for Muslims before embarking on any significant task. Orthodox Jews recite similar everyday blessings, including a prayer used before performing kosher slaughter. The Islamic method of killing an animal for meat is called zabiha. After reciting the blessing, the slaughterman uses a surgically sharp instrument to cut the animal's throat, windpipe and the blood vessels around its neck. The blood is then allowed to drain from the body.
